5. OTHER PEOPLE IN THE PERSON'S LIFE

6. NEED FOR A GUARDIAN

A. WHY ARE YOU ASKING FOR A GUARDIAN TO BE APPOINTED?

Most adults with disabilities are assisted with decision making by family members, friends or service providers. These informal decision making arrangements often meets the person's needs. NCAT must be satisfied that:

- the person the application is about has a decision making disability
- the disability results in the person being partially or wholly incapable of managing themselves, and
- there is a need for the person to have a guardian appointed.

If the person already has informal decision making or an enduring guardianship appointment in place that is working in their best interests, NCAT may not make an order. A guardian is not authorised to make decisions about the person's financial affairs. If you think this type of decision need to be authorised you should apply for a financial management order.

B. IS THERE A RISK TO THE PERSON?

You should tell NCAT about any possible risk to the person. It may be a **risk of**:

- Becoming homeless
- Being abducted (removed without authority) from their usual residence
- Has received an offer of accommodation that if not accepted soon will expire
- Being physically abused or neglected
- Being exposed to verbal abuse, intimidation or conflict
- Requiring or refusing medical treatment or services
- Engaging in behaviour exposing them to harm or danger
- An exploitative relationship.

C. WHO DO YOU SUGGEST FOR THE ROLE OF GUARDIAN?

You can suggest a guardian, however NCAT is not bound to appoint that person. You should talk to the person before nominating them. The person must be over 18 years and suitable for the role because of their own experience.

If there is no one suitable or willing to take on the role of guardian, NCAT will appoint the **Public Guardian**. The Public Guardian is only appointed as the 'guardian of last resort'. For more information visit the <u>Public Guardian</u> website.
